

The image shows a 20x20 grid of numerical values. The background is blue, representing a value of 0.00. A red cross shape is formed by cells with a value of 1.00. The cross is centered at (10, 10) and extends 5 units in each direction. A green rectangle is drawn around the cross, with its top-left corner at (3, 3) and its bottom-right corner at (17, 17). The red cross is contained within the green rectangle.
